Forecast for Monday 06 Jun 2022

Weather: Continuing fair with all staying dry, but sunshine and brighter spells will be more limited than through the weekend with early lower cloud focused in east, also quite a lot of higher cloud about through the rest of the day. West again warmer but temperatures generally down a little from Sunday.

Chance of cloud-free hill tops above 800m: 60% becoming 90% from late morning

Low Cloud and visibility: Generally very good or excellent, becoming very poor within cloud, which lowers 500m at times, mainly early and in east.
